

## Holiday Hijinks - Opening Speech

*Welcome the group and introduce yourself for those who may not know you. Allow some time for your team to socialize at the start while everyone joins the meeting. Before introducing the activity, ensure everyone has what is needed to get started, strong Wi-Fi or if in person appropriate materials and clothing to participate.*

*Once ready, introduce the activity to your group.*

Hello everyone and thank you for joining us. We have a very exciting activity planned for you today, your very own Holiday Hijinks! Are you ready to have some fun?

Holiday Hijinks is a high energy team building activity that will have your team working together to complete four different types of challenges: mental, physical, skill, and mystery all with a holiday theme. You'll need to play to your strengths and work against the clock to earn points and climb to the top of the leaderboard.

To participate, one person on your team will need to log in to the free Outback Team Building and Training web app on any web-enabled device. Once you've signed in to the app, your team will complete challenges by submitting text responses and photos – all within the Outback web application.

The team who correctly completes the most challenges and earns the most points will be the Holiday Hijinks Champions!

Before we get started, I'd like to share a few tips for today's activity:

- One person only per team needs to sign into the app. This person is responsible for submitting the answer once your team agrees on it.
- Challenges can be completed in any order. You'll need to strategize to determine which challenges will earn your team the most points within the time limit.
- Points are based on the level of difficulty for each challenge. Completing the harder ones will earn you more points.
- Spelling counts with trivia questions, please confirm the spelling with your team before submitting your answer.
- You will also encounter some photo challenges in each round. Please read the challenge descriptions carefully and complete them as directed in order to earn points.
- Once an answer is submitted, it cannot be changed.

*Provide all teams in the group any resources needed prior to breaking them out. **Activity code, challenge lists, resource materials** etc. Once they have everything they need, break them out into teams.*

Team Captains, let's get signed in to the activity and get started!

Entry Code: \_\_\_\_\_

Alright everyone, let's get started!

## Closing Speech

Today the Holiday Hijinks revealed your teams' hidden talents and tested your unique abilities with mind-bending puzzles and interactive physical and skill-based challenges.

To complete these challenges:

- You focused on fast, open and effective communication.
- You acted and reacted to situations with the team's best interest in mind.
- You supported each other through every aspect of the activity, from start to finish, no matter what obstacles were put in your way.
- And most importantly, you acted as a team rather than as a group of individuals.

(Option: Share and/or briefly comment on a couple of the best/most interesting photos to start the debrief.)

Before I announce our top three teams, I'd like to hear about your experience today.

### *Basic Debrief Questions*

- *What are some qualities of a Leader/ Effective Communicator that you admire? How did you see those qualities being shown within your team?*
- *Was there a predominate leader in your group? Did you share the leadership role based on a particular challenge?*

And now the moment you've all been waiting for...it is time to announce the top teams!
